KENNETH E. LAWRENCE, JR., VICE CHAIR  
JOSEPH C. GALE, COMMISSIONER

**Contact:** Teresa Harris | Public Affairs Manager | 610.278.3062 | [tharris@montcopa.org](mailto:tharris@montcopa.org)

### FOR IMMEDIATE RELEASE:

#### Montco Extends “Code Blue” Cold Weather Declaration to January 23, 2020

**Norristown, PA (January 21, 2020)** – The Montgomery County Commissioners, on the advice of the Montgomery County Department of Public Safety, are extending the “Code Blue” Cold Weather Emergency issued last week for Montgomery County based on a review of forecasts from the National Weather Service.

The “Code Blue” Declaration has been extended in Montgomery County until Thursday, January 23, 2020, at 9 a.m. During this time, either the temperature or the wind chill is expected to be below 20 degrees Fahrenheit.

A “Code Blue” Cold Weather Declaration is made in Montgomery County when winter conditions pose a threat of serious harm or death to individuals without shelter. A “Code Blue” is called when the combination of air temperature and the wind chill is anticipated to be 20°F or less.

Residents of Montgomery County who need emergency shelter during a “Code Blue” can call the Your Way Home Call Center at 2-1-1 or text their zip code to 898-211.

#### WHAT TO DO IN "CODE BLUE" CONDITIONS

- Check on elderly friends and neighbors frequently to ensure that their homes are adequately heated.
- If you see someone in need of immediate emergency assistance, call or text 9-1-1.
- If you or someone you know needs help with temporary shelter from the cold weather or a longer-term housing issue, call Your Way Home at 2-1-1 or text 898-211.

#### PERSONAL TIPS

- Make sure your car is winterized with antifreeze, a full tank of gas, properly inflated tires, and is stocked with an emergency kit.
- Check your smoke detectors and carbon monoxide detectors.
- Wear appropriate clothing and avoid prolonged exposure when going outdoors in winter weather.
- Limit pets' time outdoors during extreme temperatures.
- Report power outages directly to your utility company; DO NOT call 9-1-1.
