

## **Out of County / State Transfer**

The Out of County/State Transfer Unit handles the supervision of all offenders convicted of a crime in Montgomery County with the offender residing in another jurisdiction. The case is transferred to the offender's home jurisdiction for courtesy supervision purposes. The probation officer or investigator duties for this unit are multifaceted and include direct and indirect contact with offenders, offender's family, employers, programs, law enforcement agencies, victims and other criminal justice agencies. The staff members assigned to this unit investigate possible violations and attempt to resolve all types of offender problems.
