1,000 Books Before Kindergarten!

Studies show that children who are read to from birth have an easier time learning to read. If you read just one book a night starting before your child is 2, you will have read over 1,000 books by the time your child starts kindergarten! Our program makes it fun, with incentives for every milestone you reach--1 book, 25 books, 100 books, 250 books, 500 books, 750 books and 1,000 Books. The program is intended for children under the age of 5 years.

You can sign up and log your progress here:
