Manual: Issued in class Auxiliary equipment: pen/pencil & notebook

Certificate: NFA Limit: 25 students

DOH Con Ed: 0 Clinical Patient Care; 3 Other

This course will enable the student to identify and analyze health and safety aspects that affect emergency responder safety in both emergency and non-emergency situations. Risk analysis, wellness, program management, and other occupational safety issues are the main emphasis of the course. The target audience is all individuals, and especially management-level personnel who have department-level health and safety responsibilities (such as planning and implementation) and organizational representatives who have active involvement in such activities.
